

# UK Asset Management Conference 2019

27 & 28 November 2019 | The Chelsea Harbour Hotel, London

## Exhibiting at the UK Asset Management Conference 2019

The UK Asset Management Conference will be extensively marketed, including:

- ✓ dedicated event webpages on the IAM website
- ✓ regular conference update emails to IAM members and contacts
- ✓ articles and adverts in [Assets magazine](#)
- ✓ promotion through various media provided by our partners and supporters
- ✓ social media updates

Exhibiting at an IAM event will place your organisation in a unique position to promote your brand, products and services to the key decision-making individuals amongst your target client businesses. The exhibition area will provide the opportunity to demonstrate your products and services and engage with delegates in a relaxed and informal setting.

## About the IAM

The Institute of Asset Management (IAM) is the international professional body for asset management professionals.

The IAM develops asset management knowledge and best practice, and generates awareness of the benefits of the discipline for the individual, organisations and wider society.

Individual or corporate, large or small, public, private, government, not-for-profit or academic – the IAM can help you to progress on your asset management journey.

Established in 1994, the IAM has over 22,000 members in 158 different countries.
