Format requirements

The publication has strict instructions for submission of artwork (hi res PDF preferred – PDF 1.3, Acrobat 4 compatible):

- Digital Files: Supplied as either Postscript files or PDF files. Alternatively, native files
- supplied as QuarkXpress, InDesign, Illustrator or Freehand – must be supplied with
- all relevant high res scans, plus all fonts including any used in embedded eps files.
- Photoshop Files: Save scans as TIFF or EPS files. Duotones must be saved as EPS.
- Images must be at least 300dpi.

Important

- All colours must be CMYK process colour (no RGB or spot colours).
- Must be no fonts emboldened by a keyboard command, only typeface family bold.
