	14:15		Changeover	
	14:20		Right-sourcing to deliver added value	Right-sourcing for optimum Asset Management delivery
	15:05	Plenary 3-3 <i>Digital Asset Management - Where Next?</i>		
15:50	Summary and thanks (close 16:00)			

* the 2-day **Conference Challenge**, hosted by IAM NextGen and designed for New Comers to Asset Management, is an interactive 'hackathon' style event running over the Monday and Tuesday stream sessions. Participants are asked to attend all the sessions to discuss, solve and develop a solution to present back to the full conference.

** the **Asset Management Foundation** is a single workshop run over three sessions with delegates attending all sessions - breaks will be taken as required.
