

Edwards Bursary Terms and Conditions

1. Introduction and Background

1.1 The Institute of Asset Management (IAM), the international professional body for whole life management of physical assets, whose registered office is at 4th Floor St Catherine's Court, Berkeley Place, Bristol, BS8 1BQ offers financial support in the form of non-repayable bursaries to student and associate members who meet the eligibility criteria and are awarded an Edwards bursary.

1.2 In these Terms and Conditions:

1.2.1 **"Bursary"** means the financial award and other benefits given to selected individuals, as described in clause 2 below.

1.2.2 **"Learning experience"** means any activity that can help to enrich an individual's asset management journey and may include, but is not limited to, courses and workshops, taught programs of study, work shadowing, site visits, conferences and seminars, or research projects.

1.2.3 **"Holder"** means any individual selected to receive the Bursary.

1.3 The IAM has launched a bursary scheme as a merit-based financial assistance program in recognition of the immense contribution of Richard Edwards to the Institute. The bursary specifically aims to support those early in their asset management careers to access learning opportunities.

2. Framework of the Bursary Scheme

2.1 The IAM will award each successful applicant up to £2000 GBP/ \$2600 USD/ €2350 EUR under the bursary scheme.

2.2 The maximum payable will be £2000 GBP/ \$2600 USD/ €2350 EUR, irrespective of the cost of the learning experience. Any additional costs will need to be covered by the holder.

2.3 The number of bursaries awarded will be varied at the IAM's discretion to reflect the applications received, and the IAM reserves the right not to make any award if no suitable applicant is identified. The IAM will decide the level of the bursary, i.e., there should be no expectation of the maximum bursary being awarded.

2.4 All applications will be evaluated based on the following criteria:

2.4.1 **Relevance:** the extent to which the proposed learning experience aligns with asset management and the applicant's career goals.

2.4.2 **Impact:** the potential impact of the learning experience on the applicant's professional growth and contributions to the asset management field.

2.4.3 **Feasibility:** the feasibility and appropriateness of the budget plan, ensuring that the requested amount is used efficiently to achieve the stated learning objectives.

2.4.4 **Clarity:** the clarity and coherence of the applicant's submission, demonstrating a well-thought-out and organised plan.
