VOLUNTEER TESTIMONIAL

Brian Addison

Head of Asset Management at SSEN Transmission

Testimonial

For me, volunteering with the IAM is an opportunity for me to use the skills, knowledge and experience I have gained over my working life to:

- Help to further develop & enhance the discipline of Asset Management for all practitioners
- Maintain my own knowledge of the emerging & developing thinking in Asset Management
- Give something back - to repay all of the support & guidance I've been given over the years by others.
